INFORMATION FOR TRADE & COMMERCIAL EXHIBITORS

N.B: To comply with Mid Coast Council & WorkCover Policy ALL your electrical equipment and extension cords must have a current electrical certification tag attached or your booking will be denied. Annual safety checks are conducted on site.

INDOOR SITES:

There are a limited number of Indoor Sites and as a result, these are generally taken up quite early. The sites are modules of 3m x 3m. All are carpeted and have power available. The charge of each site is \$35.00 per day for a 3 x 3 meters module including power. The Exhibitor must have his/her own Public Risk (min. \$10 million) The sites are let on a first come, first serve basis.

Payment in full is required with booking application, along with a copy of your current P\L Policy.

OUTDOOR SITES:

There are ample Outdoor Sites available, but a limited number with power and/or water. The charge for Outdoor Sites is \$45.00 per day for a 4 meters frontage site including power. The exhibitor must have his/her own Public Risk (min. \$10 million). The sites are let on a first come, first serve basis.

Payment in full is required with booking application, along with a copy of your current P\L Policy

Again, early bookings and payment will secure the better sites.
