The Bulahdelah Show

*Showcasing the best in
agriculture and our community.*

Introduction

The Bulahdelah Show is an agricultural show held annually in November of each year, showcasing local agriculture and bringing together the community and visitors.

The town of Bulahdelah was established around 1880 with the main industries revolving around dairy and timber.

In the early 1920's the Bulahdelah branch of the Agricultural Bureau conducted their first show and for many years the annual show has been the main focus for the community. Unfortunately, the show was suspended for a few years during the 1970's but in 1983 the Bulahdelah Show Society was reformed and has been organising our Bulahdelah Show ever since.

Today, the Bulahdelah Show Society is made up of a volunteer committee who are dedicated to creating an engaging and community driven show each year.
